

Online Learning

Why is the Syllabus important for Online Learning?

- It gives you the weekly assignments that are due for that week.
- It provides you the professors email information and office hours if you must meet them.
- It breaks down the course outline and what percentage assignments are towards your final grades.

Why would Online Learning be of interest to a student?

- If you are taking more than 5 classes
- It's the only course that is open
- It helps build time management and self-teaching.
- Builds online searching skills

Popular Tips

- Make sure you set reminders on when assignments are due.
- Give yourself time to do the assignment because so are a little lengthy.
- Read. Read. Read.
- Follow all the steps in the assignment.
- Check your grammar.
